

Continuing to ASPIRE

Saint George Catholic College Alumni

SUBJECTS STUDIED AT SAINT GEORGE:

Mathematics , English
Lit and Lang , Combined Science ,
Geography, RE, Design &
Technology, ICT and Statistics

FURTHER/ HIGHER EDUCATION:

Richard Taunton's College :
Mathematics
Economics
Accounting
ICT
Psychology

HARRY BADEN'S TIME AT ST GEORGE:

My favourite lesson at St George was Geography, our teacher was firm but fair. Students always knew where the line was. I'm really proud of how our whole year group did in terms of the A-C grades. I feel St George was great for character building and the school establishment was great for accepting that it's ok not to be perfect and it's not okay to simply give up. There were school clubs on offer, in fact I wish I was more involved in the football club!

Since leaving the school, I have worked in social care for over 10 years and recently made a career move to become a financial advisor specialising in mostly mortgage and protection advice.

CLASS OF 2009
