

Continuing to ASPIRE

Saint George Catholic College Alumni

SUBJECTS STUDIED AT SAINT GEORGE:

Mathematics
English Lit and Lang , Combined
Science , History , RE, French and
Design & Technology

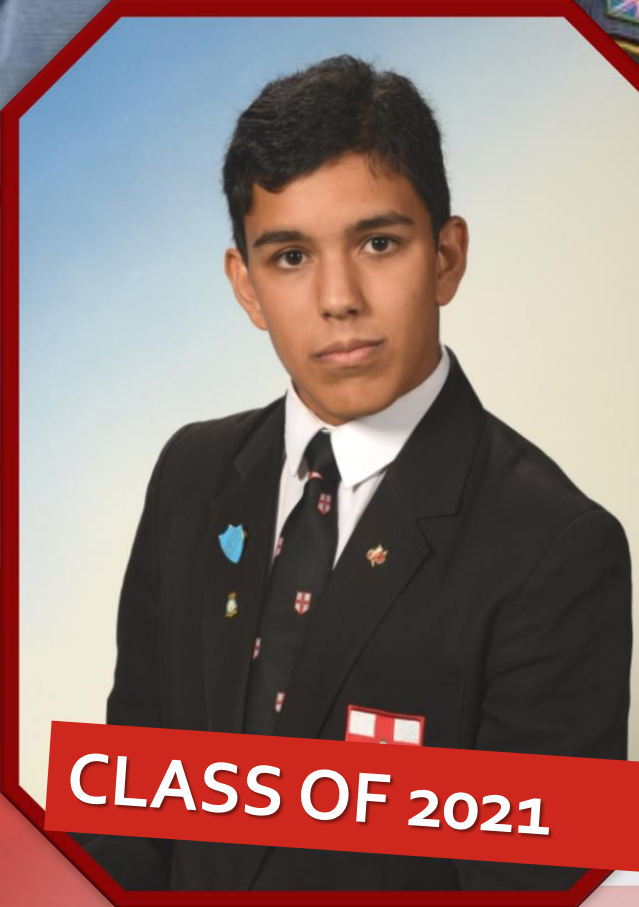

FURTHER/ HIGHER EDUCATION:

Barton Peveril:
English Literature
History
Politics

Oxford University studying History

LUKE BLISHEN'S TIME AT ST GEORGE:

My favourite lesson at St George was History, mainly because my teachers taught with such enthusiasm and with an engaging style – it was hard for that enthusiasm not to rub off! Despite the COVID pandemic, I was really proud of my GCSE results that I achieved. I was also really proud at the opportunity St George provided me to organise and deliver a Remembrance Day assembly to my fellow students through Ms Teams. I feel the Head Boy application process that I took part in helped me with the Oxford university application process. The speech that we were asked to write and deliver in the Student leadership process was very similar to the personal statement and interview process I have recently faced at Oxford university. If I could my time at St George again, I would definitely take greater advantage of the extra curriculum clubs on offer!

CLASS OF 2021
