Computer Science and ICT Curriculum Map

Week		Year 7	Year 8	Year 9 - Computer Science	Year 9 - BTEC in DIT
1					
2					
3					
4					
5	T1a	e-safety and file management	Computational thinking	More Python programming	Spreadhseet modelling
6					
7					
8					
9					
10					
11					
12	T1b	My digital world	Business	Data handling	Introduction to design principles
13					
14					
15					
16					
17					
18					
19	T2a	Networks from semaphores to internet	Data handling	Back to the future	Introduction to project management
20					
21					
22					
23					
24					
25	T2b	Computer hardware and software	Computer systems	Computer hardware and National Computer Science competition	Mitigating risk
26					
27					
28					
29					
30					
31	T3a	Scratch programming	Binary bits and bobs	More programming - JavaScript	
32					
33					
34					Music Festival Project
35					
36					
37	T3b	Web development	Introduction to Python	Web development	
38					
39					
40
